[redacted] Comments

1. Attached are the comments of [redacted] on the current map instruction in our courses. The ideas presented here relate to my comments concerning the use of [redacted] which I made in Mr. Baird's staff meeting on the 4th of March.

25X1

2. The suggestions which [redacted] has are not presented in detail, as the specifics of such instruction and the location of that instruction in the various courses are not his responsibility.

25X1

3. I am referring these comments to you with the proposition that we shall be glad to assist the instructors in the preparation of instruction concerned with mapping in any course in which it is desirable to increase the instruction on mapping. [redacted] of course, is available to teach any of the classes which he suggests.
